Sponsorship Contribution:

- Stallergenes Greer \$20,000 + \$2,863 for recording day 1 = \$22,863
 - Zoetis \$20,000. Declined request for additional funds to record session.
- TOTAL: \$42,863

Expenses:

- Speakers/Admin = \$11,627
- Catering = \$29,100
- AV = \$13,302

TOTAL: \$54,029

- REF was over budget by \$11,166. AV and catering were more expensive in Seattle. This was discussed beforehand with the ACVD president it was decided to use surplus from the 2021 virtual REF to cover the excess. Any remaining surplus would be applied to cover increased costs in 2025.

Vetoquinol Resident Networking and Happy Hour Event:

- Sponsorship: Vetoquinol

- Date: Monday May 8th 2023
- Location: El Callejon Resto Bar Seattle, WA
- Total Registration (speakers, residents, and significant others): 75

Future Sponsorship:

- Stallergenes Greer has signed a 3-year contract for 2025, 2026, 2027. The fee will increase each year as follows:
 - 2025 - \$25,000
 - 2026 - \$25,750
 - 2027 - \$26,522
- The same sponsorship increase will apply to Zoetis however this sponsorship has not been solidified.

Future Plan:

- The future plan is to record all of the resident education forum days and post them on a password protected page of the ACVD website for residents.
- Future date for NAVDF Resident Education Forum 2025 is April 26 and 27th at the Hyatt Regency Orlando, Florida.
- Vetoquinol Resident Networking and Happy Hour Event scheduled for April 26th

World Congress Veterinary Dermatology 10 Resident Education Forum Update

WCVD 10 Resident Education Forum

Considerations for 2028 WCVD Resident Education Forum

- Secure direct contact with all WAVD colleges to coordinate resident forum
- More specific involvement with WCVD organization committee to define involvement of colleges (organization of REF, resident contribution, compensation, and logistics for speakers compensation etc.)

- Sponsorship request for location and 2028 financial climate
- Report to follow 2025 with recommendations for ACVD involvement and SOP

Statement prepared by co-chairs:

Drs. Samantha Lockwood and Meghan Solc
