Dear ACVD Residents:

The ACVD Education Committee has many tasks within the development and monitoring of ACVD residency programs. The committee helps to set criteria for residency programs through the education guidelines which are reviewed regularly. The committee is responsible for reviewing and approving all new residency programs.

Additionally, evaluation of existing residency programs is performed when major changes are submitted, and recertification procedures occur every 6 years for all established programs.

Finally, our committee is always available for residents if there are concerns about a particular program that require guidance or involvement. Please feel free to reach out to anybody on the committee.

Current members of the ACVD Education Committee:

Ashley Bourgeois (Chair)
Rebecca Mount (Chair Elect)
Christine Cain
Mitzi Clark
Ashley Detwiler
Katie Rook
Jeanmarie Short

The best email contact is education@acvd.org which is monitored by the Chair of the Committee.

Sincerely,
