These presentations must be complete with PowerPoint presentation and notes. Residents are provided with a critique following each presentation.**
32. How many residents has the program had over the past 10 years? **New program**
33. How many/what percentage of the above residents (question 31) passed credentials on the:
- First submission: **N/A**
  - Second submission: **N/A**
  - Third submission or more: **N/A**
  - Never passed credentials: **N/A**
34. How many/what percentage of the above residents (question 31) sat boards for the first time:
- The year they finished their residency: **N/A**
  - One year after finishing their residency: **N/A**

- c. Two or more years after finishing: N/A
  - d. They never took boards: N/A
35. How many / what percentage of the above residents (question 31) passed the board exam on their:
- a. First time taking the exam: N / A
  - b. Second time taking the exam:
  - c. Third time or more taking the exam:
  - d. Never passed:
36. Is your residency program reviewed by an outside committee at your practice? Yes  
If yes how often? Yearly
37. Please list the papers published by your last 5 residents: New program
38. Names of your last 5 residents and whether they are willing to be contacted by potential residents: New program
